The Third Edition

This booklet contains a selection of the libations and tonics prepared by the bartenders of The Violet Hour.

Whilst every effort has been put into giving accurate and enticing descriptions, we appreciate that your tastes may lie outside what we have recommended.

If that is the case then please do not hesitate to tell us something else you might prefer.

We would love to oblige you.

We believe that the drinks contained in this manual when imbibed in moderation can actually be good for you.

Drink less but better.

“This is the violet hour, the hour of hush and wonder, when affections glow and valor is reborn”.

All spirits are served at 25ml as standard.
Mixers will be charged at an additional £1 (Red Bull and Ginger Beer are not included)
