Cocktails: £8.50

Sparkling:

The Rosa Lewis

To celebrate the re-launch of our lobby bar into the Rosa Lewis bar the Cavendish team has created this cocktail in her memory.

Cointreau, Rose Syrup, Lime juice, Chapel down Brut rose

Bellini – Choose your favourite flavour, topped with Prosecco

The Bellini was invented sometime between 1934 and 1948 by Giuseppe Cipriani founder of Harry's bar in Venice, Italy

Grey Goose Le Fizz

"The Grey Goose Le Fizz cocktail was created in 2010, by former brand ambassador Alex Kammerling. The cocktail was designed to mimic the flavours of a fine champagne; with crisp acidity from the lime, floral sweetness from the St Germain, a rich and creamy mouth feel from the Grey Goose Vodka, and a refreshing effervesce from the soda water. The cocktail is now synonymous with celebration, having been served at both the Oscars & the BAFTAs

Hugo

The drink "Hugo" is a light and refreshing prosecco cocktail, that reminds of the classic Cuban drink, Mojito. This is because "Hugo" and Mojito contain some similar ingredients: lime and mint. By using elderflower cordial, Hugo has a light sweetness which is emphasized by the fizzing, sparkling bubbles of prosecco.

Martini Style:

French Martini

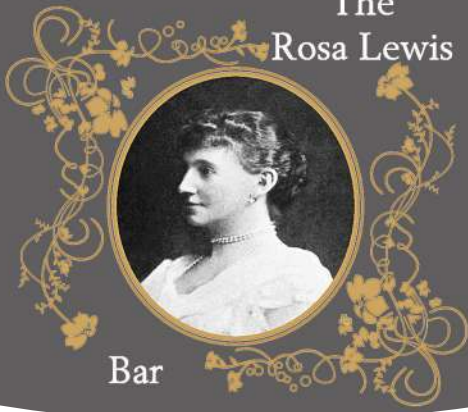

With the flavours of pineapple and raspberry, the French Martini is a stunning drink, with fruity flavours that appeal to many palates, especially those who are not particularly fond of alcohol.

Golden Cadillac

"Poor Red's BBQ" in the California gold country is famous for the Golden Cadillac, a cocktail created in 1952. A great combination of Galliano and crème de cacao

Vesper Martini

The drink was invented and named by fictional secret agent James Bond in the 1953 novel Casino Royale.

Martini Style Continued

Apple Martini

An apple martini (apple-tini for short) is a cocktail containing vodka and one or more of apple juice, apple cider, apple liqueur, or apple. Optionally, vermouth may be included, as in a regular martini

Tumblers

Caipirinha

OK, so sipping this mix of Brazilian cachaça, lime and sugar can't promise to transform your garden barbecue into the Rio carnival or make you look like Giselle, but it is 100 per cent guaranteed to refresh you. (We can offer a variety of flavours including Mango.)

Raspberry and Passion Fruit Blossom

A fruity and refreshing cocktail created by our bartender Stephanie Eicher
Fresh raspberry, Passionfruit, vanilla vodka and Finlandia vodka and Limoncello

The Petrichor

Petrichor is the scent of rain on dry earth.

Refreshing cocktail with balanced flavours of sweet peach and apricot mixed with sourness from lemon juice and Limoncello

Long drinks

Red Apple & Bourbon Fizz

Created by Chef Tourondel, it features Makers Mark bourbon, Juicy red apples and ginger ale

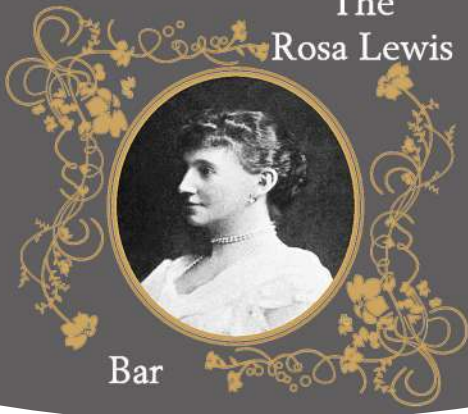

Strawberry & Basil Mojito

A mojito, one of Cuba's oldest cocktails, comes from the African word Mojo, which means to place a little spell. With strawberry and basil gives it a perfect twist. (Also available Non alcoholic)

Singapore Sling

The Singapore Sling is a South-East Asian cocktail that was developed sometime before 1915 by Ngiam Tong Boon, a bartender working at the Long Bar, Raffles hotel Singapore
