COCKTAILS - ALES - FOOD

Welcome,

Within this menu you will find a delicious selection of classic and gourmet pizzas, pizzettes, sharing boards, snacks, wine, ales, beers and a selection of our craft & classic cocktails, created by the award-winning bar team here at Shaker&Company.

If you are a fan of the classics, ask a member of our team for your free S&Co cocktail compendium - 38 classic recipes, all available to try.

The contents of this drinks menu represent a great body of work – we have painstakingly researched, reworked and developed 24 mixed drinks for your delectation. Many recipes take weeks and months to prepare, age or infuse to develop their unique flavours. When we refer to reductions, cordials, liqueurs and other ingredients we will be working upon a fundamental ethos - if we can do better by making it in-house, we will.

The forefathers (and mother) of modern bartending adorn our wall and guide our hands: from left to right, Victor Bergeron, Jerry Thomas, Ada Coleman, Harry Johnson and Charles Schumann.

We have extra seating downstairs in Belle & Co, our Bohemian Drinking Den - decadently Parisian with its own menu; weekly we host a Monday Night Cinema Club, Tuesday is open-mic comedy, and regular music and events, as well as private bookings - ask us what's in store tonight.

Tweet a pic @shaker_company and show your bartender for a little treat.

ZEO TRIO **PEPPERY ~ REFRESHING ~ UNIQUE**

An experience; Zeo demonstrates unique properties, beyond simply its unconventional flavour. One such is that it is carbonated in multiple ways, resulting in varying size of bubbles, & thus impact upon your palate. To explore this, we split a large serving of Zeo between three glasses, each with a different garnish - orange & basil, cucumber, grapefruit zest. The difference each makes to the flavour & texture of Zeo is astounding.
