• CHAMPAGNE •

Independently owned since 1829, the Ay vineyards have passed through various hands, all of whom have added their own unique touch to keep Bollinger at the top of its game.

The eccentric Lilly Bollinger led from the front, cycling through the vineyards relentlessly focused on quality that sings through in the glass to this day. Ghislain de Montgolfier continues this focus on quality by limiting production to deliver exceptional quality in the bottle.

Hutchesons is proud to pour Champagne Bollinger in the Café and Grand Hall for our guests. The Champagne house is a vital component in the Hutchesons mission to deliver a true Glasgow Classic.
