or some nuclear weapons, but at the very least you need a  
beer” – FRANK ZAPPA

“He was a wise man who invented beer”

– PLATO

“BEER, IT'S THE BEST DAMN DRINK IN THE

depended upon to meet any national crisis. The great point is to  
bring them the real facts, and BEER!”

I will drain that glass again.  
Such hilarious visions clamber  
Through the chambers of my brain.  
Quaintest thoughts – queerest fancies,  
Come to life and fade away  
What care I how time advances?  
I am drinking ALE today”

– EDGAR ALLAN POE
