*The Princess of Wales in Primrose Hill is a vibrant Gastro pub in the heart of the community. Specialising in house-infused spirits & cocktails. The infusions are created in a lab kitchen and go through a variety of processes which allow the alcohol to infuse with various botanicals, plants, fruits & spices thereby creating a unique flavour. Each infusion is bespoke to The Princess and each cocktail unique in it's ingredients. During the first lockdown they went a step further and developed their range of Spirits of Ecstasy, a ready to drink cocktail creation. Taking the essence of their most popular cocktails and turning them into a hard seltzer, low calorie, longer version.*

*The Princess in Primrose Hill also serves a wide range of craft beer which is regularly rotated to offer our customers the opportunities to taste the latest varieties. Including our own Princess of Wales lager, stout and cask ale brewed in our cellar in Marylebone.*

*For wine lovers we have extensive grape varieties to suit every palate, with an exclusive list carefully crafted by our dedicated wine suppliers Bibendum.*

*To top it all off and soak up some of that liquor we make some fantastic food, skilfully crafted by ex La Caprice executive chef Reuben. Using only the finest organic produce, and the knowledge gained from a lifetime of being at the top of his game.*
