Born in Battersea, during Lockdown 1.0, Roastman Pat was founded when two housemates started making roast dinners for the Neighbours, in an attempt to raise everyone's downbeat spirits. Accepting nothing but donations for ingredients, it wasn't long before word got out in the extended neighborhood and Pat and his assistant were getting inundated with phone-calls for hundreds of roast dinners, some as early as 3 months in advance!

Outgrowing their pokey 2 bedroom flat, Pat had decided to move into a local pub in order to satisfy the orders, and then after outgrowing that it was necessary to move into larger kitchens across London.

And for Winter 2022, we are bringing our ravishing roasts to the heart of Shoreditch/Oldstreet for the locals to enjoy
