The mezzanine bar at Gorilla hosts our Gin Parlour, a relaxed & sophisticated den dedicated to the consumption of glorious gin. The Parlour is stocked with the best gins from around the world; small batch, hand crafted distillations & all the diverse styles we need for our specialist cocktail list.

The Gin Parlour cocktail list explores forgotten and contemporary classics with a considered dedication to the martini, its predecessors & derivatives. The all-conquering gin & tonic also features, with a selection of balanced and refreshing house creations, featuring our house produced buttered gin, fresh fruits & homemade tonic syrups

From the golden era of cocktails, through prohibition and on to the modern revivalists, all our drinks are made using the finest spirits & freshest ingredients and plenty of care & attention.
