## **Opium Chinatown**

Opium Cocktail & Dim Sum Parlour is a speakeasy-style bar set behind a Jade Door in the heart of Chinatown.

At Opium we are passionate about our drinks and creating an amazing experience for everyone who visits us.

Sprawling over two floors of a historical Chinatown townhouse, with nine distinct rooms, Opium is a cornucopia of drinking and dining spaces: lounge seating, intimate, boudoir-drinking-dens and open-plan bars.

- We hold events and parties from 10 to 150 guests, from small private room to whole venue hire.
- Hire by the area, the room or the floor.
- We don't set hire or booking fees.
- Our minimum spends vary depending on the day of the week and the time of year.
- Our events team work alongside you to make planning your event or party straightforward and enjoyable!

## Areas at Opium

*The Den*

A private room that holds sit down banquets for 25 or stand up affairs for up to 35 people. The Den comes with a Narnia-esque wardrobe for guest's coats and bags and has its own music system.

### *The Apothecary Bar & Lounge*

Liquids served in the Apothecary Bar are dispensed from Chinese Medicine bottles. The area has a mix of lounge seating and a small dining area. The Apothecary Bar works beautifully for stand up parties for up to 60 guests and has an area for a DJ.

### *The Attic*

A chic parlour – style room reminiscent of a bygone era, The Attic includes a table for 10 that can be made into a private space by drawing the heavy velvet curtains. Holds up to 40 standing.

### *The Academy*

High in The Attic sits the Academy, a open-plan kitchen where a huge table acts as the bar and drinks are served from cabinets. The Attic has the relaxed, sociable feel of a very good house party, albeit one with an amazing bar! Holds up to 35 standing.

## Opium drinks

## **Opium Chinatown Press**

*'This place is Eastern smoking den meets Western hipster hangout. Very theatrical... but that's nothing on the drinks. 4 Stars' Time Out*

*'Behind an unmarked door lies London's best-kept secret. Flit between the Tea Parlour and Attic Bar, or pull up a pew at the Barman's Table, where the real action happens' Instyle Magazine*

*'This is a well thought out, grown up hangout, brought to us by big names in the industry. Each floor reveals more seductive surprises as Opium spirals upwards, evoking feelings of travel and adventure' Delicious London*

*'A new contender has entered London's cocktail game and the competition had better watch out. With inventive presentations and truly innovative mixes, the cocktails here are really quite special. And we can't fault the carefully crafted dim sum either. This is a drinking destination you must add to your list.'* Le Cool
