# Hot Drinks

## Coffee from £2.00

Our 100% specialty grade Arabica coffee is hand roasted in Bristol by the lovely folk at Extract Coffee Roasters. Our espresso blend changes with the seasons, but not the taste of cocoa, caramel and hazelnuts. We always blend to deliver a coffee with depth & body that balances beautifully with Yeo Valley's creamy organic milk. Our filter coffees, where available, are single-origin (from one farm) and have been carefully selected for their unique flavour.

### Filter Coffee (where available)

Best served black, a full flavoured great alternative to an Americano. Changes seasonally

### Americano

A double shot of either our medium or dark roast blend served over hot water

### Cappuccino

### Piccolo

### Mocha

When a cappuccino is too bitter this chocolate shot will sweeten the deal

### Chai Latte

Textured milk with a shot of chai syrup, a real winter warmer

### Hot Chocolate

A slug of freshly melted dark chocolate topped with creamy milk

### Hot White Chocolate

## Teas from £2.10

Our teas are selected by Bristol's Canton Tea Co. and are all authentic, high grade and whole leaf. They are grown on small farms and processed by hand, just as they have been for thousands of years. We buy them seasonally so they are fresh and full of flavour. Members of the Ethical Tea Partnership, Canton choose teas with organic certification only where quality is not compromised.
