Jasmine Silver Tip

FUDING, FUJIAN PROVINCE, CHINA

A delicate white tea crafted entirely from the first, velvety leaf buds of spring. The tea is not flavoured but carefully scented over six consecutive nights with fresh jasmine flowers.

A deep and heady aroma but a very soft and gentle flavour.

Whole leaf Green Tea

FUDING, FUJIAN PROVINCE, CHINA

Tender young leaves carefully hand-fired in a wok over charcoal in the same place, and in the same way, in which they have been crafted for over 3000 years.

Remarkably sweet, this is a singularly refreshing tea.

Earl Grey

SATEMWA ESTATE, MALAWI AND REGGIO CALABRIA, ITALY

Single estate black tea with natural bergamot from ancient Calabrian citrus groves.

This is tea as it used to be - not a modern approximation of a classic.

Clean and exceptionally bright, it can be enjoyed with milk or a twist of lemon zest.

Single Estate English Breakfast

SATEMWA ESTATE, SHIRE HIGHLANDS, MALAWI

Hand-crafted black tea from a small, independent estate in the Shire Highlands.

Deep, rich and malty, it has notes of caramel and burnt sugar.

Delicious black, becoming sweet and chocolaty with the addition of milk.

Hibiscus Flowers

A delicious herbal infusion made from the beautiful red petals of Hibiscus Sabdariffa.

These whole hibiscus flowers produce a beautiful tea, raspberry red in colour.

The flavour is rich in berries, slightly tart, but with a cranberry sweet finish.
