

Inspired by pure home comfort, our food menu is an ode to British meat. Hand rubbed and home smoked low and slow for up to 16 hours in our imported smoker, our food vows to deliver a depth of flavour that will instantly transport you to where we were inspired; the southern states of the USA. All our meats are paired with our chefs very own house sauces which have been curated and created to enhance every flavour. Our generous portions and succulent sides will leave your taste buds and appetite totally satisfied.
