JÄGERTRAIN

You'll need:

- 1 empty glass
- 10 glasses filled with Red Bull
- 10 shots of Jägermeister
- Steady hand
- and your index finger

If you have any difficulty in setting up your Jägertrain, your waitress will be happy to help you.

How it works:

- 1.) Place the glasses of Red Bull in a straight line (like a train) with the empty glass at the end.
- 2.) Make sure the line is straight.
- 3.) Balance each shot of Jägermeister on the rim between each of the glasses of Red Bull.
- 4.) Now you will need a steady hand.
- 5.) Get ready for the journey of your life.
- 6.) Use your Index finger to tip the first shot glass of Jägermeister from the empty glass end.
- 7.) Enjoy your journey!

Fasten seats belts.
