 - The Cornish Mead Company
 - (All served in 125ml measures)
- When you drink Cornish Mead, you are drinking History.
- Before any other alcoholic drink was thought of, Mead was being drunk in the great halls and palaces of England, a fit toast for heroes. The making of Mead was an art preserved for centuries inside the monasteries. When these were dissolved by Henry VIII, the drinking of Mead fell into disuse until recent times when the ancient recipes have been revived in Cornwall, and Mead is being rediscovered by a new generation of Englishmen.
