BRAHMA, Brazil 4.30%....330ml.... £3.75

PERONI RED, Italy..... 4.70%....330ml.... £3.95
Peroni Red is the Peroni company's original brand.
By the 1950s and 1960s, Peroni was the most recognised brand of beer throughout the Italian peninsula. Today, market research confirms Peroni as the most widely consumed Italian beer.
Clean and crisp taste with subtle fruit and caramel malt, very easy drinking.

STEVENS POINT PALE ALE, USA 5.40%....330ml.... £4.95
This great American Pale Ale is hand-crafted with a natural blend of the finest barley malt, Munich, Carapils and Crystal specialty malts, Cascade and Willamette hops and pure water.
The taste is clean and complex, with a fruit accent and a dry, hoppy finish.

ERDINGER, Germany..... 5.30%....500ml.... £5.75
Germany's oldest existing wheat beer brewery, their classic Hefeweizen has subtle undertones of cloves and bubblegum giving an extremely refreshing mouthfeel with a dry finish.
The master brewers state it's the most complicated beer they've ever had to brew. Very refreshing yeasty malt flavour with a slight hint of banana and clove.

THORNBRIDGE, KIPLING, England..... 5.20%....500ml.... £5.75
Golden blonde beer with an exquisite passion fruit, gooseberry and mango aroma. An initial sweetness and full body are balanced by a lasting grapefruit-like bitter finish. Kipling is a soft, but full flavoured South Pacific Pale Ale with flavours of passion fruit and kiwi.

TIMMERMANS STRAWBERRY, Belgium..... 4.00%....330ml.... £4.75
A lambic brewery where beers are produced using wild yeast spores from the air surrounding it. This sour product is then sweetened and flavoured using candy sugar and strawberries.

DUCHESSE DE BOURGOGNE, Belgium..... 6.20%....330ml.... £5.50
Duchesse de Bourgogne is a Flanders red ale-style beer produced by Brouwerij Verhaeghe in Vichte, Belgium. After a primary and secondary fermentation, this ale is matured in oak barrels for 18 months. The final product is a blend of a younger 8-month-old beer with an 18-month-old beer. The name of the beer is meant to honour Duchess Mary of Burgundy, the only daughter of Charles the Bold, born in Brussels in 1457, who died tragically young in a horse riding accident. Like all Flemish red ales, Duchesse de Bourgogne has a characteristically sour, fruity flavour similar to that of lambic beers.
