We're happy to say that all our breakfast butties can be served in a baguette carefully made using ingredients that don't contain any gluten or wheat.

All food is prepared in kitchens where nuts, gluten and other allergens could be present and our menu descriptions cannot include all ingredients. If you have a food allergy please let us know before ordering. Full allergen information is available. If you see a (v) next to any of our dishes it means it's perfect for vegetarians. Our food is also GM-free. Where we state a weight, it's a raw weight and 1oz equals approximately 28 grams. Some of our fish and poultry dishes might contain bones.
