

“The only thing standing between you and your goal is the bullshit story you keep telling yourself as to why you can’t achieve it.” - *Jordan Belfort*

WELCOME TO FORGE

A home for those who wish to succeed the madness of the office with a new breed of euphoria - one of a steady, building excitement, aroused senses and industrial opulence.. That is to say: Work hard - Play hard.

Passion and hard-graft is the fuel for our fire and you should expect nothing less. Our steaks our succulent, our beer is chilled and our cocktails are in a class of their own. Flowery wording used by every other venue in the Square Mile? Yes. Why? Because it's true; the proof is in the pudding, and our puddings are fantastic.

WET YOUR WOLF-WHISTLE...

More than a collation of liquids. Beers, wines, Champagnes, spirits and cocktails have all been handpicked and added to our arsenal. Different flavours and aromas can be mixed and matched to your style, mood, hell - even your suit. Whether you want to empower your evening or celebrate a day of success, there's a drink to fit.

Our bartenders are more than attractive men and women that know how to pour a pint. They're also talented mixologists, baristas and have a wealth of knowledge when it comes to 'naughty water'. Above all that - they're great secret-keepers. Tell them what you've got planned for the night and they'll ensure you're paired up with a drink that will wet your wolf-whistle.

BAR FOOD

³ COCKTAILS

We've thought long and hard, and have decided to take a new approach when thinking about our cocktails. by looking to the past. Allow us to introduce the Forge Cardinal.

A list of 100 beverages, featuring a range of bespoke drinks and fresh twists, each categorised by their classic origin. Are you a fan of Martinis? Then 21 - 30 will wet your whistle. Something to share? Look no further than 91 - 100.

To keep things lively and so as to not overwhelm you with options, we'll be updating the menu with a new selection from the Forge Cardinal every season. For now, browse the categories below and from there, the choice is yours:
