ABOUT SMART	34

As you arrive in the cold, frosty Battersea Park you will feel the vibrations of drumming as you approach the riotous city of samba and the hottest party of the season 'Carnivale'.

'Carnivale' brings a heady blend of influences from Brazil to Bolivia, from New Orleans to Haiti and from Venice to Cadiz. A colourful celebration of Mardis Gras, limbo, calypso, flamboyant costumes, exotic food and crazy cocktails.

Climb the hill to Alto Vidigal and marvel at the Favela street scenes - rusty iron roofs awash with a rainbow of colours. Sip on Caprinha cocktails as you take in the sights and sounds from the tropical hillside.

"The decor and ambience of the whole evening was wonderful. My whole party had an amazing time and have been telling our customers how amazing it was. Thank you so much."

Lloyds Banking Group

*As you walk through the bustling streets of the 'Carnivale',
jaw-dropping entertainers tower above you with dazzling
jewelled feathers and a dark twist of 'El Día de los Muertos'.*

The spicy aromas of sensational street food tempt you
into the various stalls serving a wide variety from rich,
spicy Acarajae to Bourbon-glazed chicken skewers.

A giant glittering Carnival mask catches your eye and lures you into a street parade. An explosion of glitter and streamers fall from the sky as you arrive into the dining hall for a lavish feast.

Act after act of stunning entertainment punctuates each course of dinner, building to a grand finale. As dinner comes to an end the real party lies in wait.

*"I believe no-body does
Christmas Parties Better!"*

Haymarket

The DJ beckons revellers on to the dance floor for a night of nonstop partying. Venture onto the dodgems or try your hand at the casino - the night is young!

A woman with long brown hair in a ponytail, wearing a black dress with a silver sequined collar, is shown from the chest up, looking upwards with her mouth open and arms raised in a gesture of joy or surprise. She is surrounded by a dense shower of white and silver confetti. In the background, other people are visible, including a woman with blonde hair on the right who is also smiling and has her hand raised. The scene is lit with blue and purple stage lights, creating a festive atmosphere.

of the 'Carnivale' will take you this Christmas.....*
