COCKTAILS

Marginal Gains Beefeater gin, Matcha tea powder, fresh lime juice, sugar & rosemary 7
An invigorating Gimlet twist that might just make you more beautiful. Better have three!

Darwin's First Ride Chivas Regal whisky, Amaretto & orange 7.5
Howes supplied Charles with his first steed. This simple short is, ahem, r-evolutionary. Sorry

Bloody Transfusion Vodka, tomato juice, Worcester sauce & secret spices 7
By injecting your own spice, our Bloody Mary is tailored to you. It's wheely good

The Madison Diplomatico Rum, Martini Rosso, Pedro Ximénez & cocoa bitters 7.5
This dark delicious rum & raisin Manhattan twist is a proper drink that harks back to the golden age of cocktails

Village Bicycle Absolut Vanilla vodka, Funkin passionfruit & pineapple juice 6.5
Hop on & have a ride. Go on. Everybody's doing it

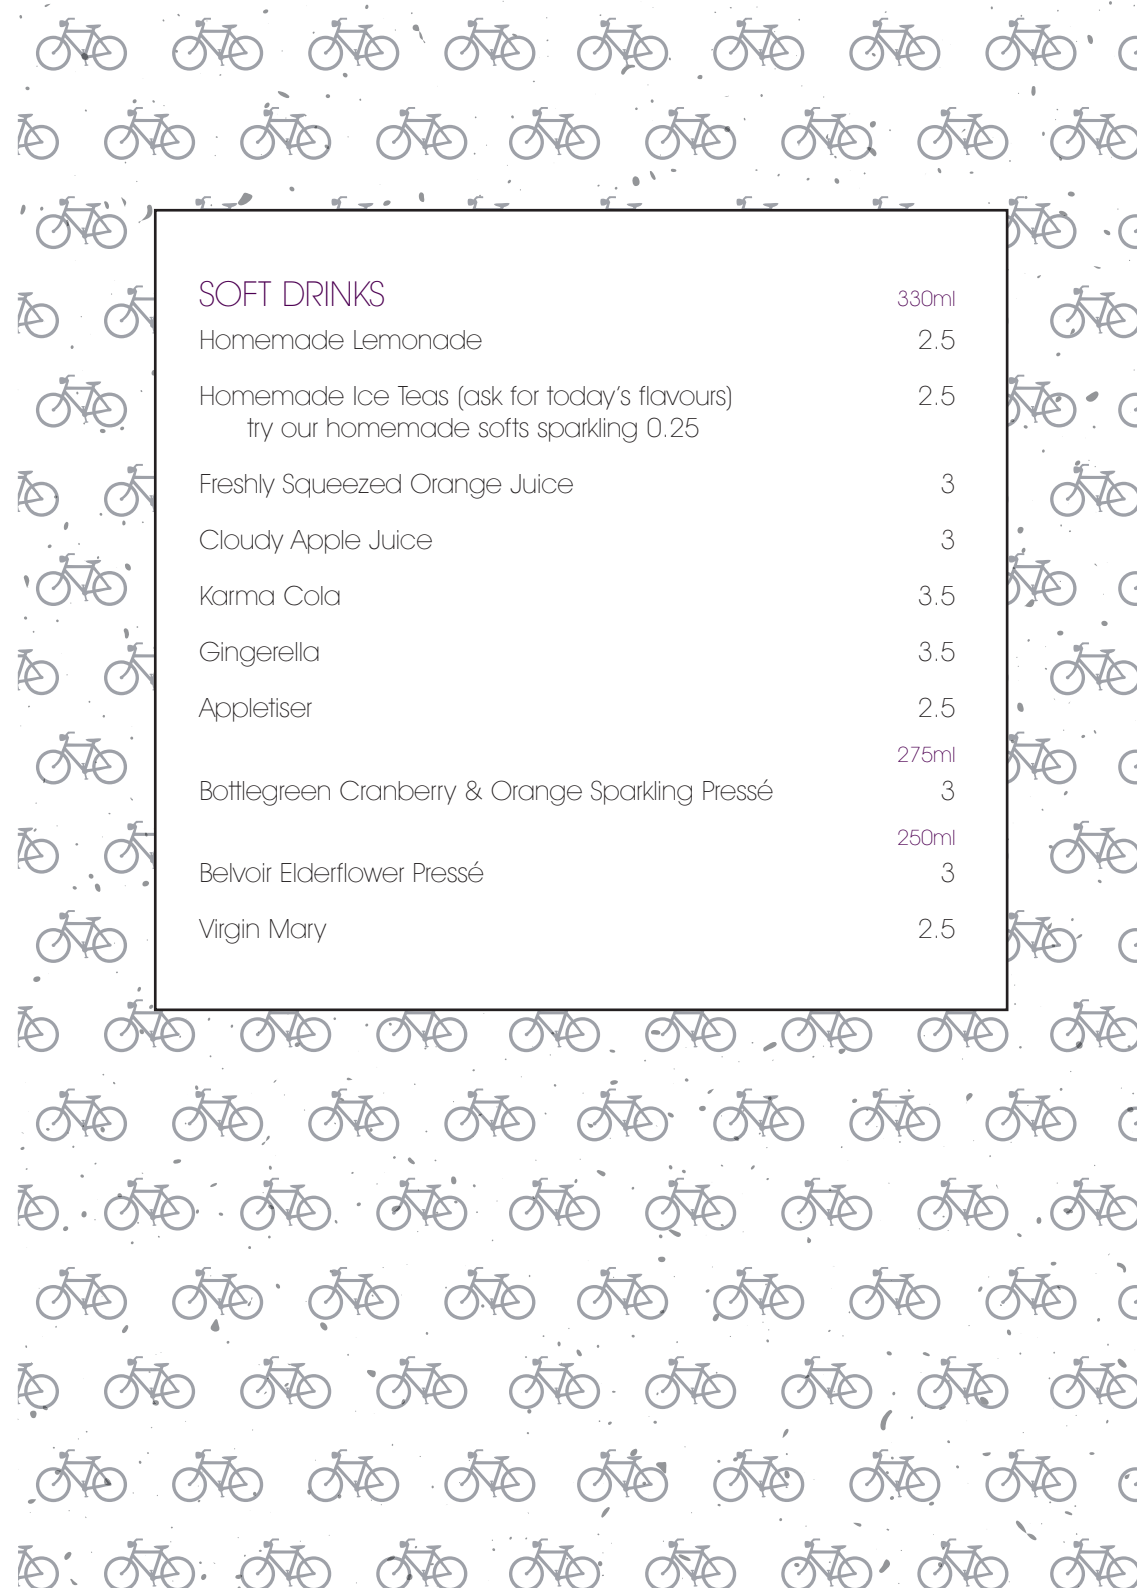

King of the Mountain Martell cognac, crème de cacao, Jägermeister & sugar 7
In 1840 John Howes & Sons were just setting up shop, whilst on the other side of the pond the good folk of New Orleans were stirring cognac & bitters to create a drink commonly regarded as the first ever cocktail. This little number is our own humble homage

Beat The Bonk Absolut vodka, Kahlúa, espresso & sugar 7
The bonk - the natural enemy of every cyclist - is an all-consuming loss of energy. Keep it at bay with this bad boy

Lanterne Rouge Olmeca tequila, cassis, agave, lime juice & ginger beer 7
Awarded to the slowest man on the tour. But what's the rush anyway? Kick back & let this blackcurrant & ginger long drink quench your thirst

Howes' Punch Havana 3 year, Courvoisier, funkin peach, lemon juice & sugar 7
Buried in a drawer beneath a pile of old bike bits we found a leather bound notepad. Amidst pages of scrawled frame dimensions, dating back a hundred years, lay the recipe to this classic punch. It's long, peachy & perfect for a warm evening

Lance's Lemonade Beefeater gin, soda, lemon & a pouch of secret magic powder 7
Stir the magic go go powder into your drink & watch as your rivals vanish in your wake...
