THE WALL SE1:

FOOD & BEVERAGE

KITCHEN

We have a fully functional, high spec commercial kitchen operation that serves our regular 40 cover café as well as large scale events available for both pre-ordered menus and private hire. Fitted with:, 2 large food preparation sinks, wash hand basin, large dishwasher, grill, 6 hob oven, large oven, two deep fat fryers, hot lights and hot cupboard.

BAR

We have two fully operational bars within the venue, the first in tunnel two is perfect for smaller events up to 250 capacity and grants easy access to both the cinema and gallery areas. The second, in tunnel three, opens on to a large music and entertainments space which is ideal for large scale functions and parties.

THE FOOD & DRINK

All of our food and beverage offerings are tailored to your specifications so that we as a company can ensure our clients happiness throughout the process of booking.

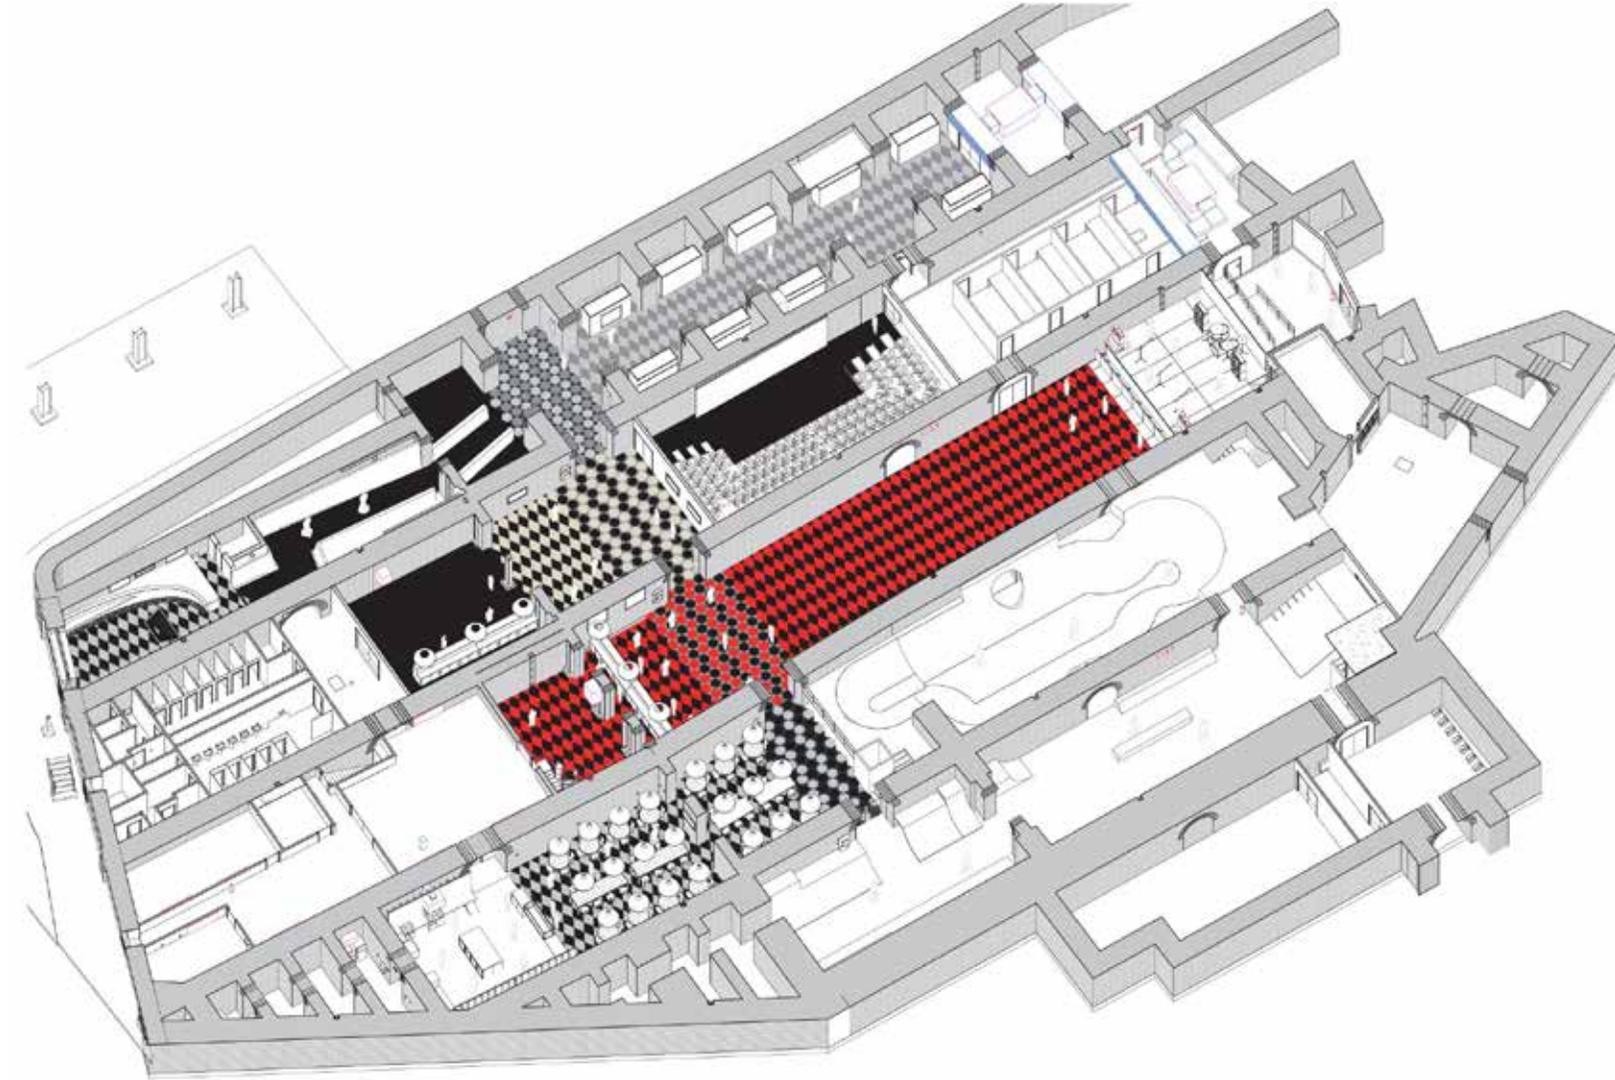

The Wall SE1 creates bespoke food and drink for every function and private hire, please contact: joe@thewallse1.com or ring **07496872279** to discuss options for your booking.

Our Green Room is available for bookings less than 45, feel free to ask for our set menus for this type of hire.

FLOOR PLAN

VENUE SPECIFICATIONS

VENUE DRESSING

We ask that any branding/ dressing requests are agreed with the venue manager in writing at least 14 days prior to event date. In order to preserve the venue we ask that nothing is hung or taped on the walls without consent. For safety reasons, dressing materials brought into the venue must be fire certified and all electrical equipment must be PAT tested.

LIGHTING

The venue features low lit bulbs throughout and has uplighters in the terrace area outside. We can also provide additional mood lighting.

STAFFING

The Wall offers our own in house team who can manage the catering as well as all event logistics. On request we can provide a range of additional event staff from hosts through to security to A/V technicians and production crew. We would encourage clients to use our staffing as we are familiar with the space and requirements.

- Free wifi available throughout building
- Space must be returned to its original state at the end of any bookings, please be considerate to all users of the space, bins are located throughout the building.
- Full disabled access, however, we do recommend that individuals with any requirements inform in advance.
- Smoking area outside the entrances

DIRECTIONS

LOAD IN DETAILS

ADDRESS

House Of Vans London, Leake Street, London, SE1 7NN

LOAD IN DETAILS

Load in of equipment is through Leake Street, access via the metal gates needs to be arranged on your arrival, directly into Tunnel 5 via Tunnel 232B. 10m of access is on a shallow upper gradient. Please ensure that you notify the office of any deliveries/packages that you may arrange to have delivered to site to ensure that they can be identified and signed-for, otherwise deliveries may be sent away. Drivers are not required to sign in to the building.

LOAD IN ACCESS

Leake Street is a public access area, first brought to life as a graffiti Tunnel by Banksy. Leake Street is off York Road with a dead end at the south end. Turning is restrictive for large vehicles near the load in doors, but reversing to an alternative turn point is easily negotiable. Access height 4.1m/16ft. Access width 3.9m/12.5ft.

LOAD IN TIMES

There are no time restrictions, however, multiple loads should be scheduled with House Of Vans London staff to avoid clashes due to restricted turning space.

DOCK DOORS

The smallest point on entry for set pieces/equipment/plant is through the double dock doors. The dock doors are an outward opening fire exit and must be kept clear at all times. 2400mm height x 1600mm width.

PARKING

No Parking is provided by the House Of Vans London. The nearest parking facilities are adjacent to the building, on Station Approach Road. This is available for £11 per 24h – pay and display, other times and prices vary.

Secure parking is available from UPark for £22 per 24 hours, other times and prices vary. Please note, reserving car parking spaces may not guarantee spaces being available:

ADDITIONAL INFO

DOCUMENTATION

The following documents are required as per event:

Risk Assessment (Two Week Advance)

Production Schedule (One Week Advance)

Insurance Policy (24 Hour Advance)

Crew/Staff List (24 Hour Advance)

ENVIRONMENT

The House Of Vans London's temperature will vary with each event, though the average temperature through the venue is 17 C. House Of Vans London was originally designed to act as drainage for the station above. Ultimately, the space is underground and therefore to a degree damp. As weather conditions change outside the environment within the building changes to reflect this. Please note that some floor surfaces can become slippery and damp in wet conditions. Please liaise with a member of staff before placing any fragile materials or objects anywhere in the space. A member of the team will be able to advise on any areas that may become problematic in wet conditions.

WASTE MANAGEMENT

The main bins are located in Tunnel 232B. Bin collection take place on Leake Street on a Monday, Wednesday and Friday. No food is to be left out, please use the bins provided. Do not use drains/sinks/toilets to dispose of waste.

COMMUNICATION

Internet provision is available at the House Of Vans London – Wifi “House of Vans”. You can receive 3G/4G signal in the Green Room and the office.

Nearest A&E hospital: St. Thomas Hospital

Nearest Police Station: Kennington Police Station

Emergency: 999

Police: 101

THINKING GREEN

The issue of climate change and environmental sustainability is one, which has become central to The Wall and all Cult venues! We are engaging Green ideas in the space and trying to do our bit to help tackle climate change.

POWER SAVING: Turn everything off when not in use

HEATING AND COOLING: Our space runs its own micro-climate so please close doors in the winter.

RECYCLING: We operate a fully recyclable venue working with Biffa Waste Management to ensure we are disposing of our waste in the best way we can.

TEA/ COFFEE: If you're hanging out in our space please use our china rather than our paper cups: save the trees...
