

A fun filled evening where you will sample Pilsner Urquell at its best.

As one of the few tank beer sites in the UK we are extremely privileged. It is driven direct from the brewery in Plzen, Czech Republic non stop (apart from a fuel stop) and you could be drinking it 3 days later, unpasteurised and as fresh as can be.

We have our very own tapsters Harry & Rob to talk you through the 3 Czech ways of pouring Pilsner Urquell.

#Milko #Snyt #Hlandinka

We will be matching the beer with canapé versions of our current menu.

- Cured Calabria meat board with Coppa, Pancetta & Spinata Salami served on toasted sourdough w/ sunblushed tomatoes and lovage pesto
 - Battered line caught fish & triple cooked chips
 - Pork & rarebit sausages w/ creamy mash & red wine jus
 - Sticky Chocolate Brownie w/ hazelnut ice cream

You can then choose your favorite style, get behind the bar and see if you can pour as well as our tapsters!
