

ROOFTOP EAST

An aerial night photograph of a cityscape. In the center, a large, illuminated stadium with a distinctive, ribbed roof structure is visible. To the left of the stadium, a tall, cylindrical skyscraper stands out among other buildings. The city is densely packed with various structures, and the lights from the buildings and stadium create a bright contrast against the dark sky. The overall scene is viewed from a high angle, looking down on the city.

SUMMER DRINKS
2017
