

## OUR STORY

McGettigan’s roots go back to 1964, when founder Jim McGettigan opened his first pub on Queen Street, Dublin.

Having started out working in bars in his native Donegal & on board the QE1, hospitality was always in the McGettigan family DNA.

A family business from the start, Jim’s children now head up operations, with his son Dennis McGettigan at the forefront. Today, there are McGettigan’s bars across the UK & Ireland, the Middle East, Asia & USA.

Over the years, the friends, characters & customers of McGettigan’s have shaped the neighbourly feel of the bars & have made it feel like home to many.

Distinctly Irish in spirit, McGettigan’s prides itself on its warm hospitality, live music & fantastic food & drinks. The menu showcases a mix of local flavours & traditional pub food favourites along with a regularly changing & creative seasonal menu.

Whether you are popping in for a drink, to watch the sport or enjoying a leisurely afternoon, McGettigan’s in Fulham is a meeting place for all.
