# UNIQUE FEATURES OF SOCIAL DARTS® TOURNAMENTS

## LEADERBOARD SCORING

There will be a live leaderboard running throughout your event, so the competitive amongst you can keep an eye on the tally

Scoring is based on the number of games a player or team comes first, second or third in.

- A 1st (gold) position scores 3 points,
- 2nd (silver) scores 2 points and finally
- 3rd (bronze) scores 1 point

## MIXING IT UP

Want to make sure everyone mingles and gets equal oche time? So do we!

We can swap players, or teams, from one oche to another without losing anyone's individual or team scores. This means everyone can play against each other in your group!
