• CIAO •

My Head sommelier, Giuseppe Bergonzi and I have selected a list of more than 40 Prosecco, sparkling wine & wines from some of the best producers in Veneto and other regions of Italy, most of which are available for you to enjoy by the glass at some of the best prices in town.

To compliment the list my skilled bar team have created delicious Bellinis using only the freshest fruits available, plus my favourite Italian cocktails and a selection of Italian Artisan beers. salute!

• MY PROSECCO BAR •

Prosecco is an Italian sparkling wine produced exclusively in the north east of Italy using Glera grapes. I am lucky to have met some amazing families that have been making Prosecco for generations.

Here at My Prosecco Bar, I want you to experience all of the different styles of Prosecco, that's why so many are available by the glass at 'fantastico' prices! Salute!

FRIZZANTE OR SPUMANTE?

We offer a Frizzante 'semi-sparkling' which creates a wonderful sprinkling of bubbles in your mouth. The Spumante 'sparkling' is the most popular of Prosecco styles... an orchestra of bubbles dancing on your palate!

BRUT, EXTRA DRY OR DRY?

The most popular style is 'Brut' which gives the driest mouthfeel. The 'Extra Dry' has a hint of sweetness that leaves the mouth feeling caressed. 'Dry' has the sweetest sensation, but never overpowering...

CHARACTER AND TASTING NOTES

The popularity of Prosecco is down to its light, easy-drinking style. With its citrus freshness, green apple and pear notes, what's not to love about Prosecco!

• SPARKLING WINES •

The region of Lombardia produces stunning 'Metodo Classico' sparkling wines, made using the same production method and grape varieties as Champagne. These wines offer a richer, fuller, more intense mouthful and a fantastic alternative to the Prosecco style of sparkle. Along with sparkling rosés and a wonderful semi-sparkling sweeter style Brachetto, we have all bases covered for your enjoyment.
