BURGERS BEER

We love a well-crafted beer easily as much as we adore a brilliant burger. We're also keen on wine, cocktails, shakes and softies. Each has its place.

HOUSE BREWS

Britain is now firmly in the grip of the craft beer revolution. Hops haven't seen this much radical creativity for decades.

BEDLAM BREWERY

STOCK BURGER BEDLAM PALE ALE

A refreshing, medium-bodied, sessionable Pale Ale, inspired by the modern generation of Pales but finished with a refined subtlety thanks to three different hops. Bramling Cross brings a blackcurrant and citrus aroma, Cascade adds orange and lychee flavours while Target adds the required hint of bitterness. Goes down a treat.

SHIPYARD BREWING CO.

SHIPYARD APA

An easy drinking, American-style Pale Ale crafted in Portland, Maine, near an actual shipyard and bursting with fruity citrus hop aroma and flavour. Dry-hopped with a quartet of American hop varieties – Chinook, Cascade, Columbus, and Centennial. See if you can pick them out.
