## DECORATIONS

Want to string up a lovingly hand-made Happy Birthday sign? No problem. Flail around wildly with a stick, assaulting a poor pināta? Sure. Spray paint your company logo on all the walls and tables? Well, probably not that.

But any reasonable and impermanent decorations are welcome, at the Manager's discretion - just let us know beforehand.

## TEQUILA & MEZCAL TASTINGS

A great talking point - try some tasty tipples from Mexico's finest agave spirits. Learn your tequila *blanco* from your *reposada* and *añejo* with our Tequila Experience tasting boards at £10.95.

Samples from our excellent collection will help you pick out the finer flavours, characters and subtleties you never knew tequila had. Sip, don't shoot.

### FOOSBALL TABLES

Have an informal miniature kickabout, or set up for serious\* league.

Let us know if you'd like to play.

Please check we've tables available at your local branch.

\*No tantrums. Spinning frowned upon, penalty shootouts encouraged.

## MEETINGS & PRESENTATIONS

An alternative to the typically characterless corporate hotels and conference rooms, the Azulito Bar at Wahaca Soho and the Mezcal Library at Wahaca Charlotte Street are equipped with full size projectors and microphones for presentations and screenings.

Throw in taco and tequila breaks and suddenly that offsite meeting doesn't seem quite so bad.

## MUSIC

For some full bar hires, we can get a live DJ to play your favourite tunes.

Let us know what you'd like and we'll do our best to fix it up.

Prices vary - we will endeavour to help you get quotes from reliable people we have worked with previously.

If you're just hiring an area, ask us about our typical playlists or whether we have a live DJ in that night.
