#### WELCOME TO THE BOTTOMLESS BRUNCH AT THE PEN AND PENCIL!

We want you to have the best brunch of your life but before we get cracking here's a few house rules friends:

- ♦ The first step is deciding your drink and first plate of food. Have a gander at the menu and we'll be over shortly to take your order.
- ♦ You might have spotted a playing card on your table. Once you've placed your order, we'll turn it upside down. When you're ready to order again simply flip the card back over and one of the team will be right over.
- ♦ We want you to savour each dish so one drink and plate of food at a time please.
- ♦ Please order alcohol responsibly; we want you to leave with a smile on your face not a headache.
- ♦ To get your plates out together, everyone on each table should order together.
- ♦ Most importantly, have fun! Oh and don't forget to tag us in any social media posts. Twitter: @penandpencilnq | Instagram: @penandpencilnq

Much love, The Pen and Pencil Team
