COCKTAIL POLICY

At Gusto we are proud to stay true to the principles of professional bartending and as such we free pour all cocktails in accordance with the weights and measures act (1985). We deem all drinks with three or more liquids as cocktails and this includes among others: Gin and tonic with lime juice, Gin and bitter lemon with lemon juice, Gin and lemonade with lemon juice, Vodka and Rum and ginger beer with lime juice. Should the guest prefer to have a spirit of choice served straight or just with a single mixer we will of course serve these in the legally prescribed measures. Our cocktails may contain nuts.
