CHAMPAGNE  
**LOMBARD**

### *Champagne* **LOMBARD BRUT**

Beautiful straw yellow in colour with gold reflections. Fresh and fruity with touches of vanilla and an abundance of fine persistent bubbles. The palate is rounded, full of stewed apple and white peach flavours with pastry notes and citric acidity combining to a pleasant toasty finish.

*Glass 125ml* £9.95

*Bottle 750ml* £56.00

CHAMPAGNE

**PERRIER-JOUËT**

### *Champagne* **PERRIER-JOUËT**

It was in 1811 that Pierre-Nicolas Perrier married Adèle Jouët, thus marking the genesis of the House of Perrier-Jouët. Putting their family names together, something quite uncommon back in 1811, they declared to the world their special bond of love. Just one year after marriage they produced their first champagne together. Perrier-Jouët, the Champagne of Love.

*Glass 125ml* £12.50

*Bottle 750ml* £72.00

## SPOTLIGHT ON GIN

### CAORUNN

25ml £6.00

Carefully crafted in the Scottish highlands, Caorunn expertly infuses five locally foraged botanicals all within walking distance of the distillery. Coul blush apples and the rowan berry, from where the gin found its name, offer this crisp gin its sweet spice.

*The perfect serve:* Sweet red apple and Fever Tree premium Indian tonic water.

### MARTIN MILLER'S

25ml £5.00

'Romance & Adventure in a glass' 10 botanicals are used to make Martin Miller's gin, and let's not forget the 3000 mile round trip to be blended with the world's purest water of Iceland. It's clean, soft and full of citrus and juniper.

*The perfect serve:* Cucumber and Fever Tree naturally light tonic water.

### SLINGSBY

25ml £5.50

The unique properties of the natural spring water from the Tewit Well in Harrogate and locally sourced botanicals, create a unique London dry gin proud to bear the name William Slingsby. Initial sweetness of rhubarb followed by the bitter tang of grapefruit leading off with floral notes of jasmine blossom.

*The perfect serve:* Grapefruit and Fever Tree Mediterranean tonic water.

### STAR OF BOMBAY

25ml £6.00

The big cousin of the much famed Bombay Sapphire, this blend uses two additional botanicals, Bergamot orange peel from Calabria in Southern Italy & Ambrette seed from Ecuador.

*The perfect serve:* Orange zest & Fever Tree premium tonic water.

*Prices shown exclude mixers*

# THE WORLD OF BEER

## **HEINEKEN** *Netherlands*

5% ABV Bottle £4.65

‘It’s always refreshing to see something you recognise’. The internationally known beer made from natural barley, hops and water produces a clean crisp example of a pale Dutch lager.

## **BELLEROSE BIÈRE BLONDE EXTRA** *France*

6.8% ABV Bottle £5.95

Bellerose is a top fermented beer made with three hop varieties from three different continents. A mix between a “Bière de Garde” and an IPA with distinctive aromas of citrus and lychee with a hoppy and refreshing aftertaste.

## **VEDETT EXTRA ORDINARY IPA** *Belgium*

5.5% ABV Bottle £5.75

‘IPA, but not really from India and not really a pale ale’ Vedett IPA offers an explosion of flavoursome bitterness that increases with intensity towards the finish with fresh grapefruit and caramel sweetness throughout.

## **BREWDOG DEAD PONY CLUB** *United Kingdom*

3.8% ABV Bottle £5.25

Inspired by US style pale ales, Dead Pony is a low alcohol, huge flavour ‘session ale’. Toasted malt, tropical fruit, floral and spicy undertones.

## **EINSTÖK ICELANDIC WITBIER** *Iceland*

5.2% ABV Bottle £5.50

Located 60 miles south of the Arctic Circle where the water flows from prehistoric glaciers and through ancient lava fields, producing the purest water on Earth. This matched with the complex flavours of classic witbeir, orange and coriander deliver a cool refreshing unique white ale.

## **MAELOC DRY CIDER** *Spain*

4.5% ABV Bottle £4.50

Maeloc is brewed using an original process for ancient Celtic ciders. Using 100% of Galician apples, this gluten free cider has a light and very refreshing taste. If you think you know your cider, try this and think again.

We are proud to offer a wide selection of world beers, catering for even the most knowledgeable beer lover.

Bourbon - sweet, spice and all things nice. Something warming and comforting to shake off the winter blues, with sweet fruit filled flavours to get a head start on summer. Introducing a fine selection, including our take on the most popular bourbon cocktail out there, the Old Fashioned.

## THE BOURBON EXPERIENCE

### JIM BEAM DOUBLE OAK

25ml £4.75

In 1795 Jacob Beam sold his first barrel of whiskey. Since then seven generations of Beam family have followed the original time honoured recipe and traditions. Jim Beam Double Oak is matured in freshly charred barrels, creating unique flavours that is woodier and richer than any other American whiskey.

*Old Fashioned with maple syrup, whiskey barrel aged bitters and cinnamon bark garnish.*

### MAKER'S MARK

25ml £4.75

Created in 1953, Maker's Mark used the winter red wheat to create the gentle tasting bourbon. Named to guarantee its quality, each bottle is hand-dipped in iconic red wax. Traditional method of production with original recipe is still used today. 70% of corn, 14% malted barley and 16% winter red wheat.

*Old Fashioned with cherry syrup, cherry bitters and cherry garnish.*

### EVAN WILLIAMS SINGLE BARREL

25ml £5.50

Each year the Master Distiller selects barrels that meet his exacting standards. It's a bourbon that is vintage dated, meaning each bottle is marked with the year it was put into the oak, along with the year it was bottled and exact serial number of the single barrel that the bourbon was drawn from. Careful handcrafting and many years of barrel aging result in our most premium and decorated taste.

*Old Fashioned with demerara sugar, chocolate bitters and orange garnish.*

### HUDSON BABY BOURBON

25ml £6.50

Hudson Baby Bourbon is the first legal pot-still whiskey to be produced in New York since prohibition. Aged in tiny 2 gallon barrels, the spirit is 'sonically matured' with the help of the bass speakers that agitate the cask and the liquid. Each bottle is then hand-filled, waxed and numbered, without the use of carbon or chill filtration. 100% corn used to produce marzipan, ginger and caramel flavours.

*Old Fashioned with honey, angostura bitters and ginger strips garnish.*
