

WHO IS W. M. BARKER?

MR WILLIAM M. BARKER, the eponymous founder of our infamous, secret, underground cocktailbar, is both a figure of past and present.

Originally, Will was a wine and brandy merchant from the 1800s, he owned the building which we now, 200 years later, call home. In his younger years Will was, an academic, Victorian party boy and very much a gentleman about town. He would be surrounded by his famous friends and possessions of the finest quality, he was nothing less than the **BEAU OF BISHOPSGATE**, and for us, that's who he'll always be.

Today, we are ever aware of Will's presence and he lives on in our shrub cocktail collections, in the secret underground bar itself, and through his captivating team; Will's kid's, as they are known by all around.

On that note, some introductions should be made:

QUEEN D, Will's number 2, Head Mixologist and all around Coyote Ugly Manager of WM Barker & Co. Dominique is certainly the Queen around here, as sweet as the sugar syrup in her cocktails and the person to talk to if you need any help. However, watch out if you're looking to cause trouble, Dominique is very protective over Will and his bar; this fiery Italian has claws.

THE DUCHESS, Olivia is the Princess of Parties and Guardian of Will's Memory. She is your go-to party planner, making sure every party of yours is at its best and most Barker-ish possible. Olivia is also in charge of enacting Will's wishes, whether that's the inspiration for his latest collection, looking after his "Internet Art Gallery" (Social Media to you or I), or running the thrilling secret events he puts on, Olivia's got her finger firmly on the WMB pulse.

So don't be a stranger, join us, cocktails will always be waiting for you here.

You could never accuse Will of being unpatriotic, he invested in the agricultural infrastructure of our Great Britain. The words of William Blake ever in his mind.

Absolut Blue, Seedlip Garden, egg white, basil, mint, rosemary, tea syrup, simple syrup, lemon juice

FLYING FOX #TheDarkHorse

Not quite in the style of Tommy Shelby, but our William Barker did enjoy the races. Ascot, not Epsom, being his favourite. And no investment would ever match his beloved Flying Fox.

Chambord, Sipsmith sloe gin, grapefruit bitters, cranberry juice, sugar cube, Mezzadi Mezzacorona top

RR PHANTOM #HighRoller

No self-made man-about-town would be complete without a car collection, and for Will this all started with his fateful introduction to the Rolls Royce Phantom. He's been hooked ever since.

Monkey Shoulder, apricot brandy, caramel syrup, pink grapefruit juice, plum bitters, dried peaches
