"Thanks for the wonderful evening at Flight Club last week... I have to be honest I was not expecting to have the experience that we had, however it far exceeded my expectations. It was truly a wonderful night and a lot of fun, a great bonding experience but mostly a good laugh which brought out our competitive personalities... a huge thank you to the wonderful staff that flawlessly looked after us!"

TORYA ELMODUNI
ENGINE GROUP

"I had a fantastic night... The whole event was organised incredibly well from my initial contact right through to the actual tournament and the venue is lovely. Everyone here really enjoyed it and I don't have any suggestions on how the event could have been any better - I'd be very happy to hold another event there in future."

MICHAEL EVANS
LEND INVEST

"The tournament is a great idea, people got really into it and competitive - our games host was really great at explaining to everyone what to do and getting people's attention to announce the tournament. All of the team were great fun, really nice... The space itself was the perfect size for our party and well designed."
