

## LOKHANDWALA AND THE RUINS OF LADY CHARLOTTE

One of the best-kept secret scandals that rocked Victorian British aristocracy. Proud, elegant and curious, our very own Lady Charlotte Louisa Fitzrovia, eloped with a suave and affable street boss from Mumbai's then notorious district, Lokhandwala. Outraged by the disgrace Lady Charlotte had brought upon the family, her father, the fourth Earl of Rockbourne, and then Governor of Colonial India outcast her.

Disregarding her father's disdain, her heart stolen completely, she set up her life's dream in London, with a tea room, gardens, a hot-house and a lounge for her love, Vijay. A magical summer of love and a promise of marriage, Lady Charlotte planned a happy life away from the Imperial British Society. Guarded by soldiers, Vijay would disguise himself to meet his consort. 93 Charlotte Street is rumoured to be their 'British House of Exile' until their dying day. Lokhandwala is a sympathetic homage to all those who lived, loved and fought for their love.
