We have teamed up with Wimbledon Brewery to bring you the delicious crisp taste of English brewing traditions and brewing ingredients.

The Wimbledon Brewery famous **Gold Lager** will be exclusively offered as our signature SMASH Lager. **Smash Craft Lager** is a 4.8% ABV, German 'Helles' style beer, brewed in Wimbledon, using a blend of three classic and contemporary German hop varieties. The beer is allowed to mature for five weeks to attain its balanced flavour. It has an aroma of stone fruit and a dry, clean finish.

We like our SMASH Lager so much we have added to all our signature Beer Cocktails. Which one will you try first?

We are also proud to be offering **Tower Pale Ale**. With an orange fruity and floral spice aroma it is rounded off with a satisfying bittersweet twist.

Quartermaine IPA the fruity, spicy, floral hop aromas lead to a full, rich almost light fruit cake middle palate, with a clean dry bitter finish.

Bravo American Pale Ale is a straw colour with pronounced blackcurrant & tangerine aroma, fruity and crisp but with a refreshingly bitter bite on the finish.

Copper North American Red Ale. Burst of citrus, floral and tropical overlay the complex malt characters of rye, caramel and spice leaving a refreshingly dry finish.

SMASHWIMBLEDON

THE RULES!

BASIC RULES

A match is played - best 3 out of 5 games

For each game, the first player has to reach 11 points to win

A point is scored for each successful rally

You must get the ball in your opponent's half

The edges of the table count but the sides do not

The ball must not touch the posts or net, or the rally will be a let

(no point for either team)

HOW TO SERVE

The ball must rest on an open hand palm. The ball must be thrown at least 6 inches up and hit so the ball first bounces on the server's side and then the opponents side.

If the serve is legal except that it touches the net, it is called a let serve.

When there is a let serve you replay the point.

HOW THE GAME WORKS

Players switch service after every 2 points.

If the score reaches 10-10 then it is 1 service each from that point.

Winner is first to 11 points but you must win by 2 clear points.
