OUR CASK BEERS

THE CUP | ENGLISH STYLE ALE SESSION BITTER | 3.6% | PINT | £3.55 TRADITIONAL, CARAMEL, BITTER

In celebration of the history of pubs whose medieval origin comes from when brewing was carried out in the home by women. As beer grew in popularity the best 'ale wives' opened up their homes to sell their beer, and in the 19th century the 'public house' was born. This very site, named 'The Cup at Maney' was a popular pub at that time. Run by Joseph Clibbery and his wife for many years throughout the 19th century it would have served traditional English Style Ale.

SHOESTRING AMERICAN STYLE ALE AMBER ALE | 4.0% | PINT | £4.00 RUBY, HOPPY, CARAMEL

Our big hoppy red ale is full of rich caramel malts matched to American hops and bursting with character - a fitting tribute to Sutton Coldfield's actor 'Trevor Eve', most famous for playing Eddie Shoestring, a private investigator who in 1979 and 1980 was the must-watch TV star of the moment and again for playing Peter Boyd, the lead role in the award-winning drama 'Waking The Dead', and as with each episode of this hugely popular show, it was all about Eve's brilliant performance.

MARKSMAN | IPA TRADITIONAL IPA | 5.0% | PINT | £4.65 BITTER, STRONG, HOPPY

Whilst hunting in Sutton Park, Henry VIII was attacked by a wild boar, but before it harmed the King it was killed by an unseen marksman. He was surprised to find his saviour was a beautiful girl. When the King discovered that her family had been dispossessed of their property by the ruling nobles, he ordered that reinstatement should be made to them and presented the girl with the Tudor Rose, which became the emblem of Sutton Coldfield, the girl's home town. This IPA, with its intense piney and citrusy flavour certainly hits its mark too!

004 OAKS | ENGLISH STYLE ALE GOLDEN ALE | 4.2% | PINT | £3.85 GOLDEN, HOPPY, REFRESHING

We have brewed this dry, refreshing golden ale in tribute to one-time Four Oaks resident and Golden Globe winner, none other than our favourite British Secret Service Agent, James Bond - AKA 'Mr Roger Moore' with his wit, charm and debonair look, he graced the screens as Bond on seven occasions with 'The Man with the Golden Gun' cited as Moore's best Bond film ever.

OUR KEG BEERS

NIPMUC ^{Ve} | AMERICAN STYLE ALE AMERICAN PALE | 4.8% | PINT | £5.15 MALTY, AROMATIC, HOPPY

Enjoy a pint of this simple Pale Ale with truck loads of piney, grapefruit American hops and raise a refreshing glass to the Nipmuc Indian who gifted a piece of American soil to the Englishman Edward Pratt - you could almost believe you were in a brewpub in Sutton, Worcester, Massachusetts. USA!

LEGEND LAGER ^{Ve} | LAGER CRAFT LAGER | 5.0% | PINT | £4.75 AROMATIC, DRY, REFRESHING

Brewed with Strisselspalt hops for their legendary aromatic properties, our premium craft lager is both satisfying and refreshing.

BLACK BELT ^{Ve} | STOUT & PORTER OATMEAL STOUT | 5.4% | PINT | £4.60 BLACK, SMOOTH, CHOCOLATE

In tribute to one of Sutton Coldfield's most famous acting sons Scott Adkins, who's most famous role as Yuri Boyka in the 2006 prison boxing film was, you could say, undisputed! Scott's Black belt in Kick boxing and Taekwondo made him the perfect nemesis to the main character in Undisputed II and III. From roles in Eastenders and Holby City to Hollywood blockbusters such as The Bourne Ultimatum, Adkin's mix of talent and skill has a broad attraction. Much like our dark stout with its complex chocolate and roast flavours.
