A DRINK MENU VOLUME II

r.i.o.t

*“Dive bar is a colloquial or informal American term for a disreputable bar or pub.
Such bars may also be referred to as neighborhood bars,
where local residents gather to drink and socialize.”*

r.i.o.t Dublin opened its doors in December 2017. Situated in the heart of
Dublin’s fair city between the iconic O’ Connell and Ha’penny bridge.
Our bar is inspired by two legendary places, Brooklyn and Berlin.
r.i.o.t was designed and built by the hands of bartenders,
ex-industry professionals and one mad street artist.

We wanted to create a space where no matter what your style is, where you
come from or who you are, you can come to r.i.o.t. Drink, eat, leave your
bullsh*t at the door and feel a part of something unique. From hip hop legends
to hall of famers to the music you only listen to when you have a free gaff
or in the safety of your car, if we think you’ll love it, we got it.

From classic cocktails, to signature serves, craft beers to high-quality spirits
and even cocktails on tap our team of messers will go above and beyond to
ensure your taste is satisfied and most importantly, you have the craic!

It’s our labour of love.
