## BOUCHARD FINLAYSON

A BOUTIQUE VINEYARD

Near the Southernmost point of Africa lies a valley named Hemel-en-Aarde (Heaven and Earth) framed by mountains and within sight of the ocean, with frost free, soft, beneficial weather and the most perfect clay shale vineyard soils. Established in 1989, Bouchard Finlayson is a boutique winery (125-hectare property currently has 22 hectares under vine) dedicated to making wines of outstanding quality. Located in the wine region of Walker Bay, in the Hemel-en-Aarde Valley ward, an hour and a half from Cape Town,

### BLANC DE MER

This blend is both bold in colour and structure. The composition enjoys Riesling as the primary player, with Viognier secondary followed by Chenin Blanc and Chardonnay. It has a deep colour and a full palate. Rich tastes of peaches and pear blend providing a lengthy finish.

### WALKER BAY SAUVIGNON BLANC

The geographic location of the winery, offers the best temperature zone that the Cape can contribute to a strong vibrant aroma, tropical fruits of pineapple, lychee and passion fruit. This is followed by a firm crisp palate signalling a determined structure with parallel fruit.

### SANS BARRIQUE CHARDONNAY

The rich characteristic of this wine stems from clay based soils at the vineyard location in the Elandskloof Valley. This unoaked version of chardonnay has an fruit purity, minerality and length from tantalizingly luscious acidity. Hints of peach, kiwi fruit with a few drops of lemon.

### CROCODILE’S LAIR CHARDONNAY

Prepared in the classic Burgundian fashion and then matured ‘sur lie’ for eight months in traditional 228 litre pieces. Packed with minerality, tight fruit flavours of pear, peaches and lychees resting on over-laying hints of oak, vanilla and autolized yeasts.

### MISSIONVALE CHARDONNAY

The flagship white maintaining 30% new best French oak with seven months maturation. This wine presents different taste sensations. Creamy yeast, mild wood tones vanilla and aromatic layers of apricot and cantaloupe. Finally, resonating a long citrus and quince finish.

### “LIMITED EDITION” CROCODILE’S LAIR CHARDONNAY

A classic barrel-fermented Chardonnay (50%) blended with a fruity non-malolactic unwooded portion (50%). The barrel-fermented portion is new French oak. The style is classic, cool climate Chardonnay with voluptuous fruit and oak tones layered harmoniously.

### WALKER BAY SAUVIGNON BLANC ‘RESERVE’

This “Reserve” is a single bottling encouraged by a particularly fine vintage. Strikingly elegant with a flinty nose where the palate is crisp and clean with a bright lingering finish. Stylised with the addition of 12% Semillon and also enjoys a small contribution of French oak.

### HANNIBAL

An Italian/French inspired blend of Sangiovese, Pinot noir, Nebbiolo, Shiraz, Mourvedré and Barbera. 16 months in French oak (30% first fill), red cherry, flowers, a whiff of truffle on the nose with a hint of spice. Tannins are velvety and offer a slow aromatic finish.

### WALKER BAY PINOT NOIR

The beautiful Hemel-en-Aarde Valley represents that unique combination of soil and climate that exists in only a handful of places where the exact balance provides the perfect expression of this elusive grape..

### GALPIN PEAK PINOT NOIR

A wine inspired by both winemaker and location - offering a true reflection of the terroir. Barrel-matured for 10 months in French oak (30% first fill), rich with luscious soft tannins and dark coloured forest fruits, deftly balanced on a cord of lingering plum and raspberry delights.

### TÊTE DE CUVÉE PINOT NOIR

It is said that Pinot noir has no individual varietal character of its own but, is rather characterized by the soil on which it grows. Essentially it is the most terroir specific varietal of all. Barrel maturation of 15 months in new French oak, pure aromas of raspberry, cherry, flowers and spice, musky suggestions of truffle and forest floor.
