## Theatre Dinner Experience

An immersive theatre dinner experience, featuring the story of Philip De Saumarez's pursuit of Spanish treasure with Commodore Anson - a tale of ill-manned ships, disease, determination and, eventually, triumph.

Notorious Black Jack will also be recounting local legends of swashbuckling and piracy.

Enjoy a glass of Sangria on arrival, followed by a delicious 3 course Spanish-influenced menu including tapas-style starters and desserts with matching wines included.

A fun history-centric evening **£55**
