GIN GIFTS

MAKE YOUR OWN GIN

We can make bespoke batches of gin which you can personalise for your clients, teams or friends. You choose the botanicals, name your gin, create personal gin labels and wax seals for your own batch. You spend time with Jack, our Head Distiller, to blend your bespoke small batch gin. Jack then makes, labels and seals by hand your own batch.

Our Cattivo Small Batch Gin is usually £30 per bottle to take away, but we can offer discounts on larger batches

CATTIVO SMALL BATCH GIN

Jack, our Head Distiller, makes our small batch gin from our on-site still, Victor. We make gin in our other bars too, Canova Hall in Brixton, Martello Hall and Serata Hall in Hackney. Each bar has its own still and Jack blends a subtly different gin for each bar.

£30 per bottle take-away (gift-wrapped)
