

★ ALLERGENS ★

Ahh nuts.

It must be a bummer having to read all the fine print. We prepare our ingredients ourselves, so we know what goes into every dish. We carefully source our produce and take our ingredients seriously, meaning you can dine with peace of mind. Feel free to ask as many questions as you like.

ALL OUR DISHES ARE PRODUCED IN AN ENVIRONMENT WHERE NUTS, EGG, MILK, SOYA, CELERY, FISH, SULPHITES AND GLUTEN ARE ALSO USED.

GLUTEN STATEMENT

NON-GLUTEN INGREDIENT (NGI) OPTIONS ARE AVAILABLE

Although these items are made with gluten free flour, due to the airborne flour in our kitchens we cannot guarantee they are 100% free from traces of gluten.

If you have any concerns, we would be happy to talk you through the steps we take to minimise the risks of cross-contamination with our ingredients that contain gluten.

These include the chocolate brownie, apple crumble & NON-GLUTEN pizza bases.
