Please always inform your server of any allergies before placing your order, as not all ingredients can be listed. Detailed allergen information is available upon request and online. We cannot guarantee the total absence of allergens in our dishes. Our fish dishes may contain small bones and our olives may contain fragments of stone, please take care. Burgers cooked medium carry a higher risk of food poisoning. Unlike a steak, a burger needs to be cooked through to reduce that risk. The Food Standards Agency recommends that children, pregnant women and anyone with a weaker immune system have their burgers well done. Please ask us for more information. Bill's will donate 50p from the price of our Seasonal Risotto to Mental Health UK (registered charity number: 1170815) to enable them to support more people affected by mental health problems.
