LIMITED EDITION BEERS

We’re constantly pushing the boundaries of brewing; experimenting and exploring to create a line up of limited editions that excite and entice. All our draught, packaged, and limited edition beers are rotational and change daily, check out our Untappd list to see what we’re currently pouring.

BREWERY FRESH TANK LAGER

OUR MULTI AWARD-WINNING TANK LAGER IS AS FRESH AS IT CAN BE. HERE’S WHY:

1 IT’S UNPASTEURISED

Because our lager has come straight from the brewery to the tank in this bar, we don’t need to make it last for months... therefore we’ve not pasteurised it... helping it keep all of its natural flavour.
Fresh. Tasty. Beer.

2 IT’S FRESH FROM THE BREWERY

The tank beer you’ll drink in this bar hasn’t been packaged and left to sit in a warehouse. It’s come fresh from the brewery, straight to the tanks in this bar.
Fresh. Tasty. Beer.
