

'Once Upon a Brunch'

Menu

'Lets be av'ing ya' If it ain't broke, don't fix it-
smashed avocado on sourdough toast, topped with
pillowy poached eggs, alfalfa sprouts and pomegranate
seeds. (v)

'You got me Shakshouk' Shakshouka by any other name.
Baked eggs enrobed in a spicy tomato sauce with
melted feta and spring onion crust. Think huevos
rancheros with a Middle Eastern kick. (v)

'Breakfast Burger' Don't go bacon my heart, I
couldn't if I fried... packing a full English punch,
grilled bacon, Cumberland sausages and a fried egg
nestle inside a toasted brioche bun.

'The Antoinette' what we'd like to think a Parisian
Queen would have for brekkie. French toast, seasonal
fruits and maple syrup dusted with icing sugar and
topped with edible flowers. #glamfortheagram (ve)

'Eggs Royale' Continuing our regal theme, this time
with a brunch classic. Lightly toasted and halved
English muffin, pillowy poached eggs drizzled in
hollandaise and Scottish smoked salmon. An oldie, but
a goodie!
