

WHO WE ARE

Founded in 2009, when China first participated in an International Cricket Tournament, our AA Rosette awarded restaurant is named in honour of the Cricket's integration in Chinese society. Chinese Cricket Club offers guests the delight of family-style or semi-private dining with a collection of specially produced estate wines by the Sporting Wine Club.

WHAT WE DO

Serving rich and aromatic Chinese cuisine, Chinese Cricket Club's menu boasts a selection of traditional dishes with influences from the best flavours across South-East Asia. Executive Chef, Chef Wong Soon's creative menu showcases unique combinations and a selection of signature dishes that will fascinate even the most demanding palates.
