## MAP Lab bottled cocktails to take away

*MAP Lab is at the heart of everything we do. It is our mixology blueprint where we experiment, create, refine and design our cocktails. From here, we carefully select those cocktails that go on to be bottled and sold under the MAP Lab brand.*

*These cocktails are distinctive, rich and elegant. All based on classic recipes but with our twist. They have all been made using only premium spirits, bitters and liqueurs. Also available on our web shop or Amazon Prime!*
