Feedback

We'd love it if you could scan the barcode and give us some feedback please.

We're so sad that we need to throw these menus away each time they are used to keep us all safe.

To be kind to the environment, if you take this menu away with you and bring it back to use each time you dine with us, we'll treat you to a drink each time. That's how much we love you and the world around us.

T&C's: Max 5 drinks. One drink menu. One drink per visit only. Not in conjunction with any other offer. Beer, wine or soft drink only.

Thanks for your support. Meanwhile these are some of our friends who we love supporting...

We are happy to partner with **Coin Street Community Builders**, a social enterprise helping to drive change for the better in the local area.

Our chemicals are supplied by **BioHygine**. They create products using renewable and sustainable sources to ensure minimal impact on the environment.

Have you seen the lovely soap in our loos? We've spent over £40,000 donating to **The Soap Co** as they continue to offer life-changing job opportunities for people who are blind, disabled or otherwise disadvantaged.

In the past year our businesses have donated over £18,000 to **BELU Water**, through our filtered water scheme. **BELU** invests 100% of their net profits into WaterAid.
