GIN PALACE

Welcome to the Gin Palace, our superb range of gins served with your choice of mixer and hand-selected garnishes to complement each serve.

FIFTY POUNDS	£5.30
England 43.5% Clean and broad-shouldered with a light vegetal note and a nutty biscuity undertow, elements of frozen peels/lemon sorbet take over before very sage/pine-like juniper drifts in behind. It needs time to open for Parma violet and bright spiciness to come through. The palate is sweet with lots of sage and lavender as the juniper becomes more assertive.	
MALFY GIN ROSA	£5.30
Italy 41% Sun-ripened Sicilian pink grapefruit from the Mediterranean coast produce a colourful burst of Italian sunshine with soft and subtle but totally unctuous grapefruit flavours.	
AVIATION	£5.30
America 42% Rich floral and savoury notes of lavender, cardamom and sarsaparilla. Made with a 'Botanical Democracy'! Rather than the usual 'dictatorial' influence of juniper, each botanical used in Aviation Gin has an influence in the overall flavour of the spirit - giving a beautiful balance and creating a new style which is known as New Western Dry Gin.	
MALFY CON LIMONE	£5.30
Italy 41% The finest coastal grown Italian Sfusato lemons from Amalfi and Sicily give the gin flavours of anise, citrus and coriander.	
PERSIAN BLUE MARSHMALLOW	£5.30
England 40% This really unusual gin is made using a traditional combination of botanicals including juniper, but the inclusion of Marshmallow Root brings a wonderful sweetness to the overall balance. A great gin that is a lot more than just a bit of fun.	
MALFY CON ARANCIA	£5.30
Italy 41% Blood oranges sourced from Sicily in the November harvest, developing in the cool Mediterranean nights, deliver a rich red colour with a beautifully balanced finish.	
BOSFORD ROSE PREMIUM PINK	£5.30
England 37.5% Wonderfully balanced with juniper, coriander, angelica, lemon peel and orange peel and made with strawberry and raspberry flavours. This gluten free Rose is first distilled using all the botanicals of Bosford London Dry Gin original recipe.
