GIANT STEPS

YARRA VALLEY

SINGLE VINEYARD

Steve Flamsteed has crafted a style with Giant Steps that espouses purity, delicacy and freshness. His single vineyard wines offer a unique insight into the Yarra Valley's complex terroir, and we believe the best way to experience them is in a comparative tasting. We invite you to enjoy our pick of the 2019 vintage wines by enjoying our latest wine flight experience.

85 pp

2019 Taraford Chardonnay

This vineyard has a discrete microclimate that is cooler than neighbouring sites. It is a lower elevation site whose southern aspect slopes are perfectly suited to Chardonnay. The wine from these vines tends to be the freshest and most vibrant of the range, showing grapefruit and lemon pith character with a high-toned mineral finish.

2019 Sexton Chardonnay

The Sexton vineyard is one of the most revered areas of the Yarra Valley, neighbouring some of the region's icon estates. The site has a ridge running through it, offering a range of aspects and soil structures. The wines tend to a slightly richer and more rounded style with white stone fruit flavours.

2019 Wombat Creek Chardonnay

The highest altitude site in the Yarra Valley, making it a perfect vineyard for cool climate viticulture. There is a striking mineral core to the wine and subtle nectarine and Meyer lemon flavours. The acidity is driving and focused without being too bracing.

2019 Sexton Pinot Noir

The thin top soils and rocky clay base of the Sexton vineyard result in low yielding, intensely flavoured Pinot Noir grapes from the vineyards eastern slopes. Steve says that the fruit from this site is always robust and hardy, owing to the difficult growing environment for the vines.

2019 Applejack Pinot Noir

The Applejack Vineyard is planted at high densities with five different clones of Pinot Noir, giving Steve multiple options to blend the perfect expression of the site. There is a dramatic cooling effect from a surrounding temperate rainforest, bring significant night time temperature drops. The wine is perfectly balanced and very much a regional benchmark.

2019 Primavera Pinot Noir

Located in Hoddles Creek, the vineyard was planted in 2001. The year on year improvement in the fruit led Steve to start producing a single vineyard from the site. The profile is riper and more opulent, with a richness and concentration on the palate.

CHAMPAGNE

NV	Le Brun de Neuville, Blanc de Blancs, Bethon <i>Coming from the chalky soils of Côte de Sézanne, the Le Brun family have built a reputation for some of the finest Chardonnay based Champagnes of the region. With four years of lees ageing prior to disgorgement, this is an intense and biscuity Blanc de Blanc.</i>		155
NV	André Clouet 'Grand Reserve', Bouzy <i>Andre Clouet is based in the village of Bouzy and has been making Champagne since 1741. The focus is on Pinot Noir from their own vineyards, from which they craft impeccable blanc de noir wines that show concentration, purity and elegance. This is Champagne of tremendous pedigree.</i>		160
NV	Paul Bara 'Reserve' Grand Cru Brut, Bouzy <i>Located in the east of Épernay in the Marne Valley, the Bara house only uses estate grown fruit from 100% Grand Cru vineyards. The estate is now managed by the seventh generation of the Bara family, though the philosophy of crafting elegant Pinot Noir based champagne has changed little.</i>		175
2007	Paul Bara 'Millésime' Grand Cru Brut, Bouzy <i>A Pinot Noir dominated Champagne from an exceptional vintage. The Bara house style is one that balances the power and intensity of Pinot Noir with enough Chardonnay to ensure elegance and longevity.</i>		240
NV	Frederic Savart 'L'Ouverture' 1er Cru Brut, Blanc de Noir, Écueil <i>The heavier, clay-based soils of Écueil are well suited to Pinot Noir, and Frederic Savart farms his vines there without the use of pesticides. Blanc de Noir Champagnes show a richness and red fruit concentration that make them an incredibly alluring sparkling wine style</i>		270
NV	Agrapart 'Terroirs' Grand Cru Extra Brut, Blanc de Blancs, Avize <i>The Agrapart wines are as striking as they are scarce, with Pascal Agrapart currently one of the most revered growers in all of Champagne. The 'Terroirs' bottling is made from 100% Grand Cru Chardonnay.</i>		285
NV	Larmandier-Bernier 'Rosé de Saigné' 1er Cru Extra Brut, Vertus <i>Pierre Larmandier and his wife Sophie farm 15 hectares of chalky vineyards in the Côtes de Blanc, with all sites managed biodynamically. They are one of the leading lights of the grower movement, producing exceptional wines every year. Their Rosé is made via the Saigné method, a rarity in the region.</i>		295
NV	Egly-Ouriet 'Les Premices' Brut, Ambonnay <i>The first new wine into the Egly portfolio in over two decades. The fruit is farmed by the families children and is a blend that incorporates all three of the regions main varieties from forty year old vines.</i>		295
NV	Jérôme Prévost 'La Closerie Les Béguines' Extra Brut, Blanc de Noir, Gueux <i>Jérôme Prévost is perhaps the producer that has generated the most frenzy in the grower movement. His 'La Closerie' bottling is made from 100% Pinot Meunier and already considered an icon of the region.</i>		370
2009	Egly-Ouriet 'Millésime' Grand Cru Brut, Ambonnay <i>One of the giants of the grower movement, and one with a firm commitment to biodynamic viticulture and minimal intervention winemaking; no short feat in the Champagne region. The 2009 Vintage is a pure expression of Ambonnay, fermented in barrel and aged for 111 months on lees.</i>		595
NV	Jacques Selosse 'Substance' Grand Cru Brut, Blanc de Blancs, Avize <i>Perhaps the most influential name within the grower movement, Anselme Selosse took the reins of the family domain in 1980 and set upon a path which would change the face of the region. Substance is his most revered bottling, hailing from a solera created in 1986.</i>		895
