Coin Street

The Green Room is based on land owned by Coin Street, a social enterprise working in Waterloo and North Southwark. From a derelict site in 1984 Coin Street has created a thriving, diverse, vibrant and welcoming place for people to live, work and play.

A £1 donation is added to your order for unlimited filtered still and sparkling water by Belu. 100% of each donation goes to the charity WaterAid to transform lives with clean water worldwide.

Soap Co, a luxury beauty care brand, produces products crafted by people

of all ethnicities, ages, abilities, genders, sexual orientations, religions, and backgrounds. Soap Co is a B Corp, vegan and bee-friendly.

Ozone coffee and Good & Proper tea do things the right way. They are local to us, take a look at their products and support them by buying from them. They are local to us, take a look at their products and support them by buying from them.

Our grounds are tended by Bankside Open Spaces Trust, an environmental charity that works to transform and preserve open spaces in London.
