SWITCH IT UP

We don't mind swapping our burger patties
around just let us know if you prefer
Beef or Chicken. Price may vary

[VG] VEGAN [V] VEGETARIAN

All our beef burgers are cooked medium unless specifically requested otherwise. Burgers cooked medium rare carry a higher risk of food poisoning. Unlike a steak, a burger needs to be cooked through to reduce that risk. The Food Standards Agency recommends that children, pregnant women and anyone with a weaker immune system have their burgers well done. Please ask us for more information. GBK does not offer a total gluten-free environment, as we use gluten in our recipes and in our kitchens. This menu has been adapted to ensure that gluten is not an intentional ingredient within a dish. Steps are taken to minimise any risk of cross-contamination, however we cannot guarantee the total absence of any allergen. We change our recipes from time to time, so please check regularly - Please discuss with your server. The ingredients within our dishes which are deep-fried will be cooked in the same fryers as other ingredients which may contain allergens and/or animal traces which means there may be a risk of cross-contamination.
